

# Attitudes towards the EU - General Public

Chatham House - Kantar Public survey

## Fieldwork

Fieldwork was carried out online between 12<sup>th</sup> December 2016 and 11<sup>th</sup> January 2017.

## Tables

In the excel volume there is a tab per question. The first column of the tables presents the EU total average, which is weighted by W2 – the population weight. All countries in subsequent columns are weighted by W1 – the demographic weight.

Total-UK' includes the average for the remaining nine countries minus the UK, using an adjusted population weight. Re-groupings and totals are presented on tabs following their respective reference question. These are marked with the suffix of "GP" or "T" in the tab name.

Q1. How well informed do you feel about how the European Union works? Using a scale from 0 to 10, where 0 means that "you feel not at all informed" and 10 means "you feel very well informed", what number on this scale best describes your position?
